

Hearn Paper and Wausau Paper® offer high-quality Green Seal™-certified towel and tissue products

EcoSoft®

EcoSoft® paper products are made from 100% recycled wastepaper and meets the demand for recycled products, while continuing to meet your need for softness and quality. The majority are Green Seal™-certified.

DublSoft®

DublSoft® premium tissue offers superior quality and a refined image that is expected in the most upscale facilities.

DublNature®

DublNature® products are designed for comfort and functionality. DublNature® towels and tissue are Green Seal™-certified and made from high-quality wastepaper using innovative technology for exceptional softness, strength, absorbency and brightness.

Artisan®

Artisan® premium towels are carefully crafted to offer superior sophistication for high-end facilities. Artisan® is Green Seal™-certified to support sustainability while providing luxury and comfort.

The Green Seal® means that our products meet the most stringent and comprehensive environmental standard in our industry. This helps to take the guesswork out of the green evaluation process. For the complete Green Seal Standard for Towel and Tissue (GS-1), visit Greenseal.org.
