FloorCare

Floor Strippers

DA-70®

A high dilution, heavy duty cleaner fortified with ammonia, DA-70 is also an excellent wax and finish stripper. It quickly penetrates, emulsifies and holds dirt and floor finish film in suspension until rinsed.
pH 11.6 – 12.2, 2.5 oz./gal. #0070

EnduraSTRIP

EnduraSTRIP is an intense remover, originally developed for Spartan's very durable Endura Gloss finish. This stripper removes heavy build-up even in your hard to strip areas. EnduraSTRIP is concentrated for economy and flexibility.
pH 13.4 – 13.8, 10-16 oz./gal. #0067

Green Solutions® Floor Finish Remover

With no dyes or perfumes, this finish remover takes steps to reduce environmental impact while maintaining its ability to perform effectively. This product was specially formulated for use in conjunction with Green Solutions Floor Seal & Finish.
pH 10.5 – 11.5, 6 oz./gal. #3505

L.O.E. Stripper®

With low VOCs and a non-butyl formula, this Low Odor Emulsifier is an aggressive solution. L.O.E. is recommended for health care and other areas where sensitivity to scent is high and/or the typical strong stripper odor presents a problem. L.O.E. is highly dilutable to provide flexibility to meet floor conditions.
pH 13.0 – 13.7, 6-12 oz./gal. #0061

NAD-75

Non-ammoniated wax and finish stripper, NAD-75 is the economical choice for removing water-based waxes and polymer finishes, including metal interlock detergent-resistant finishes.
pH 12.9 – 13.4, 10 oz./gal. #0075

Rinse Free Strip

Rinse Free Strip is an efficient stripping compound that drastically reduces time and labor costs by eliminating the need to rinse. Just prep your solution, mop it on, agitate, and pick-up.
pH 11.5 – 12.0, 12-64 oz./gal. #0082

Floor Strippers

Shineline Emulsifier Plus®

When you need high performance, choose Emulsifier Plus. It quickly removes heavy build ups and burnished floor finish, enhancing time and labor savings. This lightly scented solution can be used with hot or cold water, and is formulated for use with ultra-high speed floor care systems. *pH 13.5 – 13.7, 12-64 oz./gal. #0061*

Square One®

Getting back to basics, Square One is a powerful stripping compound formulated exclusively to remove excessive long-term build up of floor finish and wax. It is an excellent stripper for use in automatic scrubbers.

pH 13.5 – 13.8, 12 oz./gal. #0078

Step Down

The scent of this powerful finish liquidator is extremely low, making it ideal for healthcare and other confined areas. Our newest formulation, Step Down is aggressive but non-butyl, offers low VOCs and generates minimum foam. *pH 13.5 – 13.8, 12 oz./gal. #0065*

KEY	
	Product available worldwide
	This product meets the Green Seal™ standard for industrial and institutional floor care products based on its reduced human and aquatic toxicity and reduced smog production potential.
	This product supports sustainable initiatives

FloorCare

Empower your Employees with Pride and Professionalism

Clean ✓ is one system with multiple training opportunities. Spartan's new and improved, multimedia training system guides users through basic and advanced cleaning procedures for hard floor care. Cleaning personnel will hear, see – and understand – how to perform proper cleaning procedures that promote a healthy, safe and clean work environment.

- Enhanced web- and dvd-based video instruction
- Quick-reference cards
- Complete training manual
- Online testing and certificate of completion
